

WA SAVIN is an automated service that lets you track the custody status of offenders in jail or prison. You can also register to be notified by phone and/or email if the custody status of an offender changes.

Write down the following information, remove this panel, and keep it in a safe place:

Offender name

Offender number

Your four-digit PIN

- If you do not answer a notification call, WA SAVIN will leave a message and will continue calling back until you enter your PIN or until up to 24 hours have passed. You may get a call from WA SAVIN in the middle of the night.
- Do not register a phone number that rings to a switchboard.
- WA SAVIN is confidential.
- You can register multiple phone numbers and email addresses for notifications.
- If you forget your PIN, call the toll-free WA SAVIN number (1-877-846-3492) and press zero for a VINE service representative.
- VINE service representatives are available 24 hours a day, seven days a week to assist you.

Search for "VINEmobile"
where you get your apps.

For additional information about the service or for training requests, please contact the Washington Association of Sheriffs and Police Chiefs at (360) 486-2380.

HOW DO I REGISTER?

If the offender is in custody, you can register to receive WA SAVIN notifications.

If you register a phone number, you must create a four-digit personal identification number (PIN) that you will need when you receive notifications. Make sure your PIN is easy to remember. Write it down and keep it in a safe place.

Email registrations do not require a PIN.

NOTIFICATION

Once registered, you will be notified about events such as the offender's release, transfer, escape, death, work release, or furlough.

When WA SAVIN calls, listen to the message, then enter your PIN followed by the pound (#) key when asked. Entering the PIN lets WA SAVIN know that you received the call and will stop the service from calling you again.

No PIN is required for email notifications. You will receive one email when there is a change in custody status.
